

# Same great glove – new look

Since September 2023, HARPS Global is the new proud owner of the Sempermed brand.

As we embrace a new chapter as part of HARPS Global, we are excited to reveal the updated packaging for our surgical gloves. While the outside might look different, our product itself remains unchanged, with the **same reliable and trusted quality**.

		<p>Our new progressive logo is inspired by the infinity symbol, reflecting our long-term focus on quality, reliability, and customer service. Semper ['sem.per] = latin; always</p> <p><b>NEW</b></p>
